WATCH THE

TOWER'S MARVELOUS OVERCOAT SALE!

GENTLEMEN!

Never in the remarkable history of our big and fast increasing trade, or during any of our former great and phenomenal special sales, has there been such universal satisfaction, such demonstrative approval, or such a grand and glorious outpouring of the people as during the past week. Why, the great surging crowds were frequently a sight to behold. Our most sanguine expectations have been exceeded, and our big sale of BOYS' and MEN'S OVERCOATS will pass into history as one of the most daring and successful enterprises in the annals of the American Clothing trade.

This Great Overcoat Sale Ends

Next Saturday Night.

The Great Success of this Sale

Has proven its worth.

We Continue the Rush for One Week More!

Every man that bought an overcoat of us last week rejoices in the fact that he saved \$2.00 to \$6.00 on his purchase. That is not all-over 3,000 purchasers last week means 3,000 minds whose unanimous confidence is enjoyed by HUDSON. Yes, it means 3,000 living advertisers for the TOWER. It is not alone a tribute to us and the Tower's integrity; it is a glorious triumph of the TOWER'S ENTERPRISE. It will crowd our store during the continuance of the great sale this forthcoming week.

Gentlemen—I take great pleasure in
testifying in behalf of Dullam's Great
German Blood, Liver, Stomach and
Kidney Cure. I can safely say that I
never took such medicine as that
eleanse the liver, stomach and kidneys.
I was suffering for years with bitonsness, indigestion and loss of appetite
and sleep. One Bottle did for me
more good than six months' other
treatment, and I feel it my duty to
testify in its behalf so others may try it
and get cured. Your truly,

A Positive Pact-

Ladies, do not delay your valuable time by waiting and suffering, but secure a bottle of Dullam's Great German Female Uterine Tonic and be cured of your monthly trouble either in old or young. It is the very best preparation I ever prescribed in my extensive practice. It has given the best results in the greatest number of cases of female troubles of any medicine that I ever used. I do not make a practice of using or recommending patent medicines, but this remedy is prepared by a very competent physician and chemist of my acquaintance and I can cheerfully and conscienciously recommend it as the best.
